

**EUROPEAN  
BIOGAS  
CONFERENCE**

24 — 25 OCTOBER 2023

# Become a media partner

**Support a landmark  
renewable gas event in  
Brussels and enhance  
your visibility  
at European level**

The 1st edition of the European Biomethane Week builds on the European Biogas Conference, EBA's flagship event, and will offer multiple opportunities to engage, get insights and explore the most relevant topics for the biogas and biomethane value chain.

**EUROPEAN  
BIOMETHANE  
WEEK**

# Your benefits

- **Web page listing.** As a media partner you will have your company logo and link to your company website posted on the EBW web page.
- **Complimentary registration for the European Biogas Conference.** As media partner, you will receive one press pass for full conference attendance.
- **Media desk at the European Biogas Conference.** As a media partner you are entitled to present your magazine/publication at the space allocated for that purpose at the conference venue.
- **Logo on EBW printed materials.** As a media partner you will have your company logo displayed in all printed materials.

# Your support

- **Conference logo** displayed on your website.
- **Media coverage** via your communication channels before and after the EBW 2023.
