

European Biomethane Week photo contest

If you had to represent what biogas means in one picture, what would it be?

- An original view of a biogas plant?
- Some top-notch technological machinery?
- An abstract artistic view of biogas?
- All of the above, in one picture?

EBA is organising a photograph contest during the European Biomethane Week (EBW) in October 2023. The pre-selected pictures will be printed by EBA and displayed in the exhibition area during the European Biogas Conference on 24-25 October 2023 in Brussels.

Participants will be invited to vote onsite for their preferred photograph. The winner will receive a free ticket to the next edition of the conference in 2024, his/her picture will be promoted via EBA's communication network and will feature on EBA's website until the end of the year.

Apply now! Send your application by 30 June 2023 to [Ana Perez perez@europeanbiogas.eu](mailto:Ana.Perez@europeanbiogas.eu)

**EUROPEAN
BIOGAS
CONFERENCE**
24 — 25 OCTOBER 2023

Who can participate?

Eligible participants include EBA members, BIP members, and members of EBA's National Associations. Participations are free.

Participation prerequisite?

Each participant certifies that he/she is the author of the photographs sent and certifies that he/she has obtained the necessary authorisations and rights from the persons who may be features in the photograph or the owners of the interiors, works, objects or goods photographed.

EBA reserves the right to use the photographs sent in for the contest (both prize-winning and non-prize-winning), free of any charge, in particular in the contest of the exhibition area during the European Biogas Conference but also for communication purposes related to EBA's activities. The identity of the authors will be mentioned on the photograph.

Any participation to the contest implies the full agreement with these terms and conditions (through the signature of a form).

How will the winner be selected?

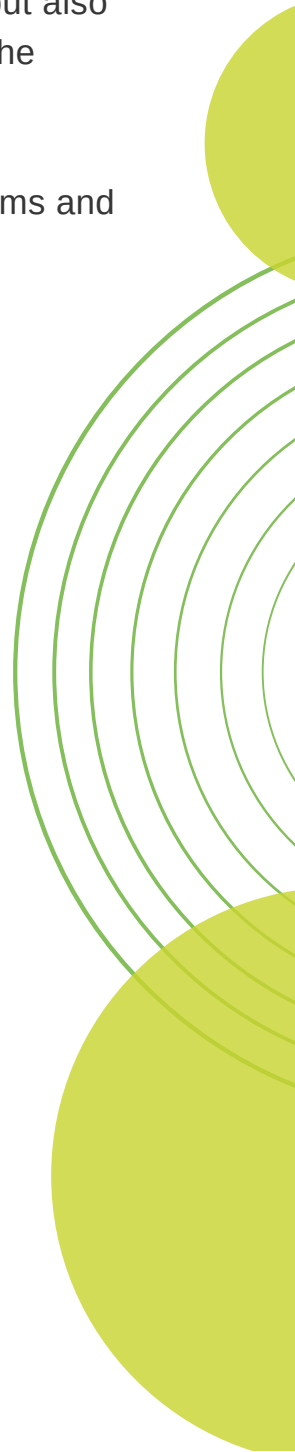

The pre-selected pictures will be printed and displayed in the exhibition area of the conference. Participants joining the European Biogas Conference will have the opportunity to vote for the photograph of their choice using Dot Voting system. The photograph that receives most of the votes, will be declared winner. The winner will be announced via EBA Social media channels.

How to participate?

Interested participants should submit their photograph in the following format: jpg, tiff, png, psd or bmp. Files must not be over 10 MB.

The following information must be submitted:

- Author's name and email
- Date of the photograph
- Location of the photograph
- Title of the photograph
- Accompanying text (100 words max)
- Short bio of the author (100 words max)
- Consent and declaration form filled in and signed

Exclusion criteria

- Photograph with incomplete submission information (hereabove)
- Photograph that is not submitted together with the consent and declaration form
- Photograph with content that may result offending to the audience (EBA may remove the photograph if it is of an offensive nature or if the rights for use and publication have not been granted or if it is contrary to the good morals without this list being exhaustive, no compensation for the participant and no correspondence will follow to motivate such a decision)

Intellectual property

Ownership of (moral rights related to) the photographs will be maintained by the participant. However, by submitting his/her photography the author transfers without compensation his/her economic and patrimonial rights to EBA and gives permission to EBA to display it during the European Biogas Conference and to reproduce it in print and/or electronic EBA materials (i.e. website and social media channels for the purpose of communication and promotion of its activities). This transfer of rights is agreed for the duration of validity and effectiveness of those rights. Should the participant, after 5 years, requests deletion of the photograph from the archives of EBA, this request must be sent by registered post to EBA's office.

Apply!

Send your application and consent form by 30 June 2023 to perez@europeanbiogas.eu. Please include the following subject in your email: EBW photo contest 2023 – ORGANISATION NAME.

Data protection

Any personal data related to the contest will be processed by EBA in accordance with the GDPR (please have a look at our [Privacy Policy](#) on EBA website). New personal data collected in the framework of the submission for the contest are only used with the purposes of guaranteeing the validity of the submission and to keep the identity of the author of a photograph submitted under the contest, with the purpose of displaying and reproducing it as foreseen hereabove.

Should you have any question or request in this regard, please sent it to Ana Perez at perez@europeanbiogas.eu.
